Task force study ready School closing may be recommended

By JIM CARAVALLAH
Of The Roman Staff

Some word may be released Monday on the findings of the citizens' task force assigned to study the feasibility of operating all 11 elementary schools in the Romulus Community School District next year.

The Romulus Board of Education is expected to make some recommendations on whether two elementary schools now under construction in the city need to be opened to provide education.

According to Romulus School Supt. James Garfield, the findings of the entire study, which was to cover the cost of operating buildings and the possible need for increased millage in

the community, never may be released.

"The board may speak to one specific recommendation and not open the entire study to the public," Garfield said.

Expected to be covered in the study is the highly controversial suggestion that at least three of the district's oldest elementary schools — Hayti, Romulus and Gordonier — be closed and their operations merged into the newer and larger facilities.

The Romulus Roman has learned that at least two suggestions of action, include closing the schools, with one suggestion covering all three of the older schools and another suggesting that Romulus Elementary School and

Hayti be closed.

Another school which may be affected by the study, but which may not have been included in the findings, according to a source close to the study committee, is Beverly Elementary School.

The closing of Romulus and Beverly Elementary Schools, if recommended, could be controversial because those two schools contain the largest black student population in the district.

A recommendation to close both would force a majority of the black students in the district to be bused to other facilities.

Garfield said although the board would not release the entire finding of

the study committee, he learned that the committee did not address itself to the need for increased millage in the district.

"No one seems to be able to put a handle on the millage question," Garfield added. "We estimate that the district will lose \$750,000 in property tax revenue with the change in the state law to eliminate personal property from consideration for property tax, but with that new law and the uncertainty of state aid facing us, it's difficult for even school officials to speculate on the means to recoup the cost."

According to Garfield, state aid payments to the district, if sent out next year by the Legislature, will be

three to four months late because of the change in the state's fiscal year from a July-July operation to a July-October, or 15-month function, during fiscal 1976.

It means the State Legislature will not be required to have state aid language finalized until after the school year has started.

"State aid will be critical this year because of the change in the tax structure," Garfield said. "But it won't be there immediately."

In the past, school officials had indicated that aid payments from state aid packages approved in time for a July budget came at too slow a pace to avoid borrowing money for operations early in the school year.

Garfield indicated that the borrowing to cope with expenses may have to last longer with a delay in state aid approval.

At present millage levels, with the change in the tax structure to eliminate personal property as a taxable item on local property taxes, school officials fear the total loss will be 14 percent in revenue from local taxpayers.

The state had agreed to increase state aid by 6 percent next year to cover losses in personal property, but the change leaves a large money gap.

"We'll most likely need millage, and will be asking for it," Garfield said. "But the figures have to be worked out."

In Romulus

Postal service cut

Only a few months after the U.S. Postal Service informed Romulus officials it would be constructing a new post office near the city's civic center, the postal agency has changed the status of the existing Romulus operation.

Starting in April, all letter carriers normally working out of the Romulus Post Office will be scheduled out of the Taylor Post Office, a change which the employees believe will decrease the service.

Romulus Mayor James C. Stewart and Congressman William D. Ford (D-15th District) who represents the area, both learned of the change Monday as Romulus postal officials were being informed of the plan.

"This is a real blow to Romulus," Stewart said. "It means that the excellent service we enjoyed for the past five years since becoming a city is going down the drain."

"The overall service in the nation is bad enough, and now Romulus' ser-

vice will be brought down to meet that."

According to a postal official, only window service will be available at the Romulus facility to ensure customers of mailing from the Romulus Post Office.

After learning of the change, Ford, chairman of the House Post Office Committee in Washington, was described as "hopping mad" by an aide.

"The congressman has demanded

that postal officials come to this office to detail their reasoning on the change in service and to explain why it happened virtually under Congressman Ford's nose without him being informed," the aide said. Heading the list of officials ordered to come to Ford's office in Washington is Postmaster General Benjamin Bailor.

The change came on the heels of action last week by 44 congressmen, including Ford, to get a restraining order against the Postal Service to prevent it from closing what it calls "unprofitable post offices" in rural communities.

Ford had instituted the suit against the postal service last week to prevent the feared closing of the New Boston Post Office.

However, according to aide Frank Rathbun, the Romulus action does not fall under the same category as that covered by the suit.

"It (the suit) doesn't address itself to the 'merger' of operations," Rathbun said. "It's talking about the closing of entire facilities and denying all services in a community."

Ford had received assurances Feb. 27 that the New Boston facility would remain open only to learn Monday of the change in the Romulus operations.

Stewart said he was "sick of this kind of treatment," adding that Romulus had been involved in a 15-year struggle to postal service from under one roof.

"When I had first moved to Romulus 20 years ago, I had postal service from Inkster, and a phone number in Wayne," Stewart said.

"When we went city five years ago, the postal service changed and consolidated operations which were handled out of Wayne, Romulus Inkster, Taylor and Belleville under the Romulus Post Office."

"Now it seems as though we're going back."

Stewart added that he would be in contact with state and national officials on the change.

Nibble, nibble

Captivated by all the talk of cowboys and Indians and life in the Wild West, one Romulus youngster — Mark Pyenta — found a little finger nibbling helped get over the suspense hump in the story. The

youngster is part of a group of children taking part in a Story Hour staged at the Romulus Public Library. And that's only part of the news on the inside of this week's edition of The Romulus Roman.

Teacher pact passed

By JIM CARAVALLAH
Of The Roman Staff

The nearly year-long struggle between the Romulus Education Association (REA) and the Romulus Board of Education over a new teacher contract has ended.

Both the teachers and the board have ratified a new pact due to expire Aug. 15 with a nearly \$800 raise for starting teachers, a \$1,500 raise with teachers having a bachelor's degree and 10 years of teaching experience behind them, and a nearly \$1,800 raise for teachers with a master's degree and 10 years of teaching.

According to James Garfield, school superintendent in Romulus, the entire package will cost an extra \$600,000 next year, including something in the area of \$200,000 in "new" money.

"The contract was a good compromise in terms of what the fact-finder brought out," Garfield said. "We're pleased to have the teachers under contract."

Included in Garfield's total cost of the settlement are increases which already had been anticipated in the fiscal 1976-77 budget for regular incremental raises and fringe benefits

going to teachers and the salaries of 24 new teachers.

According to Chris Powers, chief negotiator for the REA, the entire "new money" package in the contract comes to less than \$200,000 for the district's teachers.

Also included in the contract is an "insurance option" package which allows a teacher to choose between three options for a fringe benefit.

A teacher would be allowed to select either health insurance, dental insurance or life insurance as an option for a fringe benefit under the plan.

"It allows a teacher, whose husband or wife may be covered by a health insurance, to select dental coverage instead," Mrs. Powers said. "A similar amount set aside for health insurance would be applied to the alternative coverage."

In addition, the teachers won language which froze class sizes at 35 pupils and eliminated a measure which allowed a class to be increased to 38 pupils in "emergency situations" declared by the superintendent.

Despite the settlement without a strike, Mrs. Powers said the teachers are disillusioned with the process of letting a third party work on negotiations.

"We expected a report from the fact finder Jan. 21 and didn't get it until the middle of February," she added. "It happened because the fact finder allowed the ground rules of third party intervention on our contract to be violated, and it upset the teachers."

"Despite the settlement, we're in the position of never working without a contract to negotiate a settlement again."

The Romulus teacher pact had expired Aug. 16, but despite a strike vote, teachers stayed on the job throughout the school year and were commended for their cooperation in educating children by Garfield.

With the settlement hammered out, the teachers' negotiating team has approximately two months to rest before negotiations are to start on the 1976-77 contract.

Final costs of the new package will be \$77,000 in salary increases with the rest of the costs coming for fringe benefits and incremental salaries. The raises are retro-active to August.

Under the new contract, the top pay for a teacher with a master's degree is \$20,200, with the top for a bachelor's degree at \$17,200 and the pay for a starting teacher at \$10,200.

Water rate hike fight gains support

Support for a suburban suit against the Metropolitan Detroit Water Department is reaching the 30 percent level, according to the official who first proposed the action.

Livonia Mayor Edward McNamara said he has the firm support of at least 24 communities, including a pledge of up to \$40,000 in funds, to join in legal action to make the Water Department more responsive to its users.

"I'd say the effort is coming along very well, with a good number of the 92 communities involved in the metro water system showing some interest, and the 24 pledging between \$30,000 and \$40,000 for any possible legal action," McNamara said. "We're not aiming toward a suit, unless it's necessary."

"Right now, we're meeting with the Detroit (Common) Council to see if they have guts enough to stand up to (Mayor Coleman) Young."

McNamara added that a 12-person committee, chosen to represent the 92 communities in the Metro Detroit Water system, is hoping to meet with the Detroit council within the next few weeks to describe the plight in the situation.

"The problem is a rate increase which not only hits the suburbs, but also strikes at Detroit residents," McNamara said. "It can't take effect until the council approves it in Detroit, so we're hoping to convince them of how unfair the increase is."

McNamara added that in the past rate increases were passed along to water users on a fixed price per unit

basis throughout the water system, meaning any rate increase would hit the Flint and Livonia water users just as hard as the water users in Detroit.

"In 1972, when the last rate increase was approved, it was set at 23 cents per 1,000 cubic feet throughout the water system," McNamara continued. "But now, we're faced with a 39 percent increase, which means a suburban user who now pays \$2 for 1,000 cubic feet of water consumption will be hit twice as hard as another user who is charged \$1."

"We feel it's unfair."

McNamara said the move by the suburbs isn't an "anti-Detroit" effort, but is an effort instead to bring the water board under some sort of objective control.

"We're looking for a voice in the operations of the system," McNamara added. "On a cost basis, the water system does approximately one-third of its work in Detroit, and the remaining two thirds in the suburbs, yet by city charter, the water board must have at least four Detroit members on the 7-member board."

"There's nothing to bar the board of being made up entirely of Detroit people."

McNamara said the construction of the board worries him because appointments to the post are made by Mayor Young in Detroit.

"The man is an irresponsible politician," McNamara said of the Detroit mayor. "Just before the rate increases were proposed by the water

board — less than two weeks before they were approved by the board — Young met with 200 suburban users in Southfield and said that there was no need to raise the water rates, but that there may be a need to raise the sewage rates."

"Then when the rates were announced, Young held a meeting with the water board in his offices to discuss the operations of the system, and only after the two suburban representatives who were in attendance at the meeting had to leave because of prior commitments did the board then approve the 39 percent rate increase."

McNamara was a member of the board at the time, but was out of town on other business, unaware that the

rate increase question was to come to a vote.

"One of the last things I had done before I was dumped from the board was to get an independent auditor to come in and survey the water board's books," the Livonia mayor continued. "The auditor, Arthur Young, found a \$5 million surplus in the budget before the rate increases were implemented."

McNamara said he had no firm figures on the budget of the water board, but said the 39 percent increase would mean a \$14 million boost in income for the water board. That would place the water budget for the region at the \$36 million range, and would mean the income would reach \$50 million after the increase.

Sounds of music fill schools in Romulus

The rooms in the Romulus Community Schools will be filled with the sounds of music tomorrow when the district joins in the nationwide observance of Music in Our Schools Day.

With the spotlight on the importance of music in education, tomorrow's events will keep with the Bicentennial theme. In schools throughout the district "America the Beautiful", the national theme song for the day, will be performed.

In the individuals schools the observance will involve many of the students.

On tap will be performances in many of the elementary schools by the junior high school bands and the brass section of Eastern Michigan University.

Also in the music vein, Romulus Senior High School will host the Class A Junior High School Bands, competing in the District Music Festival.

Among the plans for tomorrow are a guest appearance from one of the performers of the musical "Purlie" at Beverly Elementary School, a music open house for parents and teachers at Harrison and Gordonier

Elementary schools and a letter writing campaign, proposing the "Stars and Stripes" as the national march, at Mt. Pleasant Elementary School.

Wick Road Elementary School will be holding a Music in Our Schools Day poster contest.

Other music teachers and students participating in the day-long event will be Romulus Junior High with the construction of exhibits in the school foyers, Romulus Senior High School with the dissemination of additional information, and the obtaining of an official proclamation from the Romulus Board of Education by the music department head in the junior high, Richard Kruse.

According to a spokesman for school district, general music involves students in grades 1 through 6 for two half-hour periods, with singing, listening, playing instruments, note reading and creative expression — movement and composing — part of the activities.

Instrumental music lessons are available to students in grades 4

through 6 for two half-hour sessions weekly, with instruction covering the flute, clarinet, saxophone, cornet, trombone and drums.

There also are band and glee clubs at the elementary level, for an additional 30 minutes per week, with each school choosing several delegates for the district-wide elementary honors band and choir.

Seventh graders receive 10 weeks of instruction in general music, in addition to instrumental music lessons, a junior high elective. The symphonic band is open to students with previous experience, who are selected by audition.

Students who do not study instrument in the elementary schools, can join the concert band and beginning classes are offered daily. The choir is offered as an after school activity.

In the senior high school students can participate in three bands, two glee clubs, the concert choir, woodwind or percussion ensemble, or music appreciation and note reading courses.

The beat of the band

The drums, tamborene and xylophone all will be in key tomorrow when students of Betty Jarrett's second grade class of Mt. Pleasant Elementary School strike up a tune in observance of Music in Our Schools Day. The

youngsters music introduction is under the tutelage of Kathlyn Maldegen. Schools throughout the Romulus district will be marking the national day with special programs. — ANP photo.

Two church services mark Ash Wednesday

Trinity Episcopal Church of Belleville will hold two special services in observance of Ash Wednesday tomorrow. An 8 a.m. morning service and a 7:30 p.m. evening service will both include Holy Communion and the imposition of ashes.

Ash Wednesday, the first day of Lent, is the beginning of a penitential season which serves as a preparation for the events of Holy Week and Easter. Lent lasts for 40 days — the same number of days that Christ spent in the wilderness preparing himself for his ministry, a church spokesman said.

The "imposition of ashes" is the acceptance of a sign of penitence and self-examination, and a sign of the "ashes to ashes, dust to dust," humility of man, the spokesman added.

Trinity Church, located on Belleville Road at I-94, is inviting the

public to attend the Ash Wednesday services. Music will be included at the evening service, and a babysitter will be provided.

The church also will hold a folk mass on Sunday at the 10 a.m. service. Guitarists Gayle Simons and Sher Buckner, both Eastern Michigan University students from Belleville, will provide music.

A mixture of contemporary folk-style music from Episcopal and Roman Catholic sources and old traditional folk tunes will be incorporated into the worship service. Music from Masses written by Joe Wise, the "Rejoice" Mass, and Ian Mitchell's "American Folk Song Mass" will be included.

With no Sunday School scheduled the day of the service, the whole "Trinity Family" will take part in the Folk Mass, and the public is invited to attend.

'Crusading' reporter steps over fine line

Daniel Schorr has been in Washington too long.

There is a thin line that divides good, tough investigative reports from crusaders.

Schorr, in our opinion, stepped over that line. Evermore, any audience he has must wonder whether he is reporting news or crusading against whatever his fixation is at the moment.

Schorr is the CBS reporter who built his reputation on his reporting during Watergate and lately on the CIA and FBI investigations.

Much of what he reported was based on information he obtained from unnamed sources. This is not the most desirable technique in journalism but, in some major situations, is acceptable.

One criterion is the reputation for integrity and fairness of the reporter employing this tactic. Recognizing Schorr's reputation his unnamed source reporting has been accepted although the increasing stridency of some of it in recent months has raised some doubts.

But Schorr stretched his credit too far.

The President of the United States and the House of Representatives, in one of their rare agreements, made it very plain that publication of the House Intelligence

Sub-committee report was against the national interest.

Schorr obtained a copy of the report. On the air he reported portions of it.

That was bad enough.

Schorr went even further.

He offered the pilfered text to a weekly newspaper in New York City for full publication. In return he asked, and perhaps arranged, for a payment to a reporters' freedom of information committee in Washington. Whether that payment actually was made is not clear.

Schorr said he arranged for the publication because of an "inescapable decision of journalistic conscience."

That's another way of saying he placed his own judgment above that of the President and Congress.

Schorr and his CBS bosses will have to decide whether he was right in the first place in reporting contents of the report.

But Schorr's action in seeking out more widespread publication of the report — with its criticism of the "establishment" — than he was able to give it over CBS was the final step.

It was the step over that fine line between being a reporter and a crusader. Both have their places but each should be clearly identified for what they are.

This time it was a masquerade.

Schools need support

To the editor: Belleville bands need your support. As a band parent, I know this program is very important to every bandsman.

The symphony, concert, and jazz bands, all the North Junior High bands, all the South Junior High bands and eight grade schools in-

volved in bands are depending on every person to get out and vote "yes." That "yes" vote will insure bandsmen the continuation of the music programs in our school system.

As we see it

Millage critical to district's future

Voters in the Van Buren Township School District will go to the polls Tuesday to decide the fate of two millage propositions: One seeking six additional mills for operations and the other requesting one-half a mill for maintenance. The latter would establish a new account.

How important is the successful passage of the millage proposals?

Critical, say school officials, who contend the district faces an anticipated \$1.3 million budget deficit at the end of this school year due primarily to untimely cuts in state and county school aid.

The additional millage (based on \$6.5 per \$1,000 of

assessed valuation) would raise nearly \$1.45 million in new revenue, school officials say. The district's tax rate, which at 27.65 operational mills already is one of the lowest in Wayne County, would be boosted to 33.65 mills (excluding 1.33 mills for debt retirement).

Van Buren school officials were fairly glowing just several months ago after reaping the sweet benefits of a millage renewal (last spring), an equitable contract settlement with school employees and the adoption of a balanced budget.

But then dispositions turned sour following a court ruling that ordered the district to provide \$300,000 in

back pay to bus drivers, while at the same mandating the district to begin busing, which previously had been contracted out.

Then came the double blow that started officials thinking in terms of a school millage hike — the cutting of state and county school funds. The latter was particularly disturbing because it meant the loss of funds for special education programs.

When the school board made overtures to cutting numerous programs to compensate for the expected budget deficit, parents of school children let out an awful howl.

The board, after agonizing several weeks over a course of action, finally decided to go for the additional millage.

School officials, who say they desperately need the six mills to neutralize the expected budget deficit, warn that if they are forced to cut services the entire community would suffer — not only through the loss of key educational programs, but there is the very real danger of a depreciation in property values. (This has occurred in other communities). Of-

ficials say people are less willing to make an investment where educational services are poor.

In addition, a not-up-to-par school system runs the risk of losing its accreditation.

It should not be taken as a threat when school officials talk about cutting services. They have only two alternatives to begin with: Since the district cannot legally operate with a deficit budget it must either increase its tax base or cut costs — and the latter inevitably means the elimination of many programs.

It is not easy for us to ask a hard-pressed taxpaying public to dig deeper into its pocketbooks, but education is a product that must not be trifled with. We honestly believe that the majority of Van Buren School District residents would agree likewise.

The success or failure of the millage hike dictates the school district's ability to offer a full educational program. We would ask that voters show faith in their school system and their community by voting YES on both proposals Tuesday.

As they see it

Millage approval urged

To the editor: Because of the impending March 9 millage election, I felt I must write to urge the people to vote.

I realize that a lot of people probably feel that this is really their only opportunity to say "no" in an election. But they should stop and think before they pull that lever.

Do they realize what cuts would have to be made? There would be little or no alternatives for the board. The board should not be blamed. They can't spend money they planned on and didn't get. The governor and legislative body, needing budget cuts, did it. They cut financial aid by 13-percent in our school district.

Every school district in Michigan is or will be operating in a deficit at the end of the school year, so the board had to ask for a millage increase.

Vote "yes" and support the school system. Then voice your opinion in Lansing. Enough voices and they will be heard. Are you going to let them (elected officials) tell you how much value your child's education will have? That it must remain as it is — that it can't improve because the State couldn't meet its obligations?

Donna Adams,
Belleville

Plans to vote NO on millage

To the editor: Van Buren Township and Belleville taxpayers, you now have a chance to stop the millage increase proposed for March 9.

Vote no and you will be bombarded by all of the people and their relatives that are connected in any way with the school system with the gloom and doom prophecies quoted in the front page article of The Belleville Enterprise Feb. 11.

They would rather have all of us pay more taxes — that many cannot afford — than in reducing the expenses. Eliminate all of the assistants to the assistants, the paper shufflers and others that come under the Superintendent, Department heads, etc., as well as other non-productive activities.

It is possible that a reduction in the number of board meetings, paid trips for the school board members — called Boondoggling — and a new policy of "shape up or ship out" would benefit all concerned, from top to bottom.

Mr. and Mrs. Taxpayers, remember that you will pay many dollars extra if the vote goes thru. Just for the privilege (?) alone for voting, you pay. If the proposal is defeated it will be brought up again and again, until the taxpayers clean house on waste.

New bill could reduce burden

Small businessman in 'pain' over tax

By BOB BERG
Panax Lansing Bureau Chief

LANSING — Small businessmen who are finding their tax bills skyrocketing under the new single business tax imposed by the State of Michigan are starting to holler loud enough they're being heard here.

The pain is being experienced as they start making the computations to figure what they must pay by April 30, when payments are due for the first quarter of 1976. What some of them are finding are tax bills as much as 10 times higher than they paid the state last year.

Needless to say, that hurts.

As a result, Senate Republican Leader Robert Davis is introducing, with bipartisan support, a bill which would cut the tax burden on small businesses with low or nonexistent profits. Larger businesses and those making profits of more than three percent of their gross receipts would not be affected by the change. To qualify, a business would need gross receipts of less than \$1.5 million a year.

The single business tax was enacted by the legislature last year under prodding from the governor. It replaced seven different taxes that had been paid before by businesses.

There was some misgiving on the part of the business community about the

tax, but the legislature finally bought it because included in it was a one-time windfall of \$180 million which produced a balanced budget, or at least put the state nearer a balanced budget.

At the time, business representatives and lobbyists descended on the Capitol to get the bill written more to their liking and to make sure that it ended up, as the governor had said, only producing the same amount of revenue the other taxes had produced.

The small businessmen now are complaining that organizations, such as the Michigan Chamber of Commerce and the Michigan Manufacturer's Association left them in the lurch while looking out for bigger companies.

Davis has been given about 150 examples of the effect the tax has had on small businesses, with one experiencing a tax increase of nearly 3,000 percent. That one, the worst example Davis has, is a business which had gross receipts of \$410,000 last year and a loss of \$2,000. It paid a total of \$134 in state taxes last year, and if performance is the same, will pay \$3,634 this year.

A small construction company which had gross receipts of \$603,000 last year and a net loss of \$21,000 paid taxes of \$590. This year it will pay \$2,695 with the same figures.

Davis' amendment to the tax would alleviate part of the burden on smaller companies whose profits are less than three percent of their gross revenues.

Companies who either lost money or made a profit of less than one percent of their gross receipts would pay 25 percent of their single business tax bill they would otherwise receive. Companies whose profit margins were between one and two percent of gross receipts would pay half the tax bill they would otherwise receive, and companies with profits between two and three percent would pay 75 percent of their bill. This would apply only to small businesses, those with total gross receipts of less than \$1.5 million.

Davis estimates his bill would cost the state \$50 million in revenues, but says the tax is producing more than was expected so his bill could be adopted and the tax revenues would still equal original projections. He faces a problem, however, in that the legislature is struggling desperately to balance the budget and may grab at anything, even if it is inequitable, to balance things up. Since the tax is already in effect, the temptation will be great to keep it with things so tight.

200 people turn out for Scout banquet

An estimated 200 parents and Cub Scouts turned out for the annual Blue and Gold Banquet, staged by Cub

Scout Pack 830 of Hayti Elementary School in Romulus.

The invocation to open the program

at the banquet, held Feb. 17, was given by Neighborhood Commissioner Fred Krupnaw, while DeAngelo closed the evening by playing "Taps".

Entertainment for the evening was by performer and actor Timothy Culeman and Rebecca Hersberger who sang and played guitars.

Culeman has appeared on television and in commercials, while Miss Hersberger is set designer for the Allen Park Civic Theatre.

The Blue-Gold skit was staged by Dens 1 and 5, while Den 2 showed off

their crafts. Four former den members who now are Webelos also performed an appreciation skit for Jim Mazgr for his prior help.

Mr. and Mrs. Andy Mozug are the new Webelos leaders, and assistant Linda Wilson is secretary. However, the pack still is in need of a cubmaster and committee chairman.

Mr. and Mrs. Jim Mazer also were presented plaques for their many services to the scouting unit. The presentation was handled by Mary Bozelak.

Mazer has served as committee member and chairman and as cubmaster for six months. His wife was an assistant den mother, den leader and secretary. Both will be leaving the pack next month.

Also receiving a plaque during the banquet was Jeannie Kosciolk for her services as a committee member and den mother.

Preparing the meal for the annual event were Mary Bozelak, preparing the chicken; Jeannie Ursery and Virginia Gray, cooking the ham, and Mrs. Bozelak, Pat Sukki and Nolene

Suessing, preparing the guest table.

Honored guests for the meal were Romulus Mayor James Stewart; Tom Robinson, district executive; Fred Krupnaw, neighborhood commissioner; Leland Guilford, Troop 830 scoutmaster; Mark Bishop, assistant scoutmaster, and Mary Sneath, Hayti's "favorite janitoress."

Raffle winners at the banquet were Tom Vernatt, Brian Kosmalsky, Paul Sukki, Irene Castle, Leroy Rudd and Leona Richards.

The winner of a handmade quilt was Gayle Vernatt.

Merriman Scouts hold annual meal

Merriman Elementary School Cub Scout, Pack 729, celebrated its Blue and Gold Banquet, with the pack furnishing refreshments and ham the parents the potluck dinner.

The honor guard opened the festivities with the Pledge of Allegiance. The Webelos entertained and a game was played while the Order of the Arrow group were readying themselves.

The Order of the Arrow is a group of explorer scouts who entertain groups with original Indian dances and costumes handmade by themselves. Ron Jarvis is the group's advisor. Some of the dances performed were the parade dance which is a showing of the costumes, grass dance, snake dance and the corn grinder and hatchet dance.

After the entertainment the meal was served and the explorers were invited to join us.

Awards went to Matt Percy, aquanaut and forester; Mike MacInnes, forester and outdoorsman; Ron Kovacs, forester, and traveler; Mike Metevia, forester; Keton White, forester and outdoorsman; Todd Gibbs, Arrow of Light; Chris Schraeder, athlete, citizen and traveler; Jerry Szveda, artist,

forester and naturalist; Billy Cribbs, Arrow of Light, David Prusakiewicz, one gold and one silver arrow; Ted Gibbs, denner; Steven Schrader, assistant denner; David Jarvis, wolf, one gold and one silver arrow and bear book and Paul McCreight, Webelos advancement and colors.

Also Joey Mabelitini, wolf patch, one gold and two silver arrows and bear books; Don Slater, bear book; Robert Harrison, wolf book; Dale Dunlop, bear book and recruiter; Jeff Johnson, wolf badge and bear book; Timothy Dunlop, Bobcat; and Phil Slaughter, wolf badge. Todd Gibbs and Billy Cribbs were advanced to Boy Scouting.

All committee members and den leaders were presented with a plaque in appreciation for their volunteer work for the past year.

Guests for the evening were Mr. Richard Goode, Merriman School principal; Paul Govensky, honorary scout and school custodian; Mr. and Mrs. Ron Zawacki, PTA president and his wife; Alice Helmut, Unit Scout Commissioner and District Commissioner Joe Cusmano and his wife.

The winner on the Webelos drawing for the women's 3-speed Schwinn bike was Don Mead.

Pack 1071 honors scouts at banquet

The Cubs of Scout Pack 1071 of the First United Methodist Church in Belleville have been honored with awards during a recent Blue and Gold Banquet.

Held Feb. 23, the banquet was designed to pay tribute to the more than 15 Scouts who have earned advancement in the pack.

Earning honors were Doug Chapman, Bobcat badge; J.D. Parr, Bob cat badge; Eddie Thomas, Bobcat badge, and Doug Potts, Bobcat badge.

Others awarded included David Atchley, gold arrow; Richard Nata, Wolf badge with a gold and a silver arrow; Don Roullier, 1-year service star; and Danny Melick, 2-year service star.

Webelos awards went to Craig Daroci, geologist, outdoorsman, forester, traveler and citizenship badges; Jeff Marsh, forester and scholar badges; Danny Posegay, geologist and scholar badges; David Wirtz, artist and engineering badges, his colors and his book; Jim Clark, artist badge and colors; Greg Surtz, citizenship badge and Don Roullier, Webelos colors and book.

Several others received awards for hiking including Gary Melick, Joe Posegay and Gary Melick Sr.

Harold Butzin and Dennis Sturtz made the hike to earn their Potawatomi Trail Patches, but didn't attend the meeting.

In leisurely fashion

Two-year-old Michael Loria, the son of Jack and Rosemary Loria of Belleville, was without a doubt the hit of the recent show sponsored by the Mothers Club of St. Anthony's School. Unabashedly, he captured the crowd of 245 men, women and children as he joined in their applause, waved good-bye and blew a

kiss at the show's finale. "Roamin' Holiday — Family Style" featured styles for the whole family with outfits furnished by Muirhead's of Dearborn. Local residents acted as models after a buffet dinner was served. Carol Sampson and Mary Duff co-chaired the successful show.

Show draws capacity crowd

"Roamin' Holiday — Family Style," the fashion show and dinner sponsored by the Mothers Club of St. Anthony's School drew a capacity crowd of 245 men, women and children Feb. 24. Held in the parish's Father Folta Building, the show was under the chairmanship of Carol Sampson and Mary Duff. The catered dinner was followed by a welcome (flight attendant fashion) from Mrs. Sampson after which the floodlights were turned on the models (all local residents) who began promenading down a specially-built ramp. Phyllis Johnson was commentator for the fashions supplied by Muirhead's of Dearborn. Jack and Rosemary Loria and their 2-year old son, Michael, performed as a family unit with young Michael upstaging his parents and stealing the show. Bridgette Ciotte and Benin Doroskar shared the spotlight as they

represented the kindergarten set while Pamela Zollar and Derrick Smith covered the pre-teen modes. Teen-agers taking to the stage in a variety of costumes were Lisa Duff, Allen Hardy, Carol Kalasz and John Szlinis. Others on the list of models were Noreen Allen, George Burgess, Margaret Jahner, Marcell LeBlanc, Beth Nota, Dee Schenck and George Syring. The raffle drawing, chaired by Judy Mrekvicska, resulted in Helen Sietz as the winner of the week-end for two in Toronto. Another special prize, a hand-fashioned statuette of St. Francis which was donated by Diane Memering, was won by Lucille Starkiesena. Others who furnished door prizes were Kureth's Apparel, Adventure Travel Service, Alasco Anaconda Co., Bella Hi Pizzeria, Burgo's, Creative Coordinators and Edward Lauth.

Still other donors were Ed's Xway Marathon, Flagg's, Foodville, Grigg Graphic, Hair Station, Hamilton Hardware, Mary Kay Cosmetics courtesy Barbara Stimach and Sarah Coventry Jewelry courtesy Phyllis Anthony. Hair styles for the show were created by Linnie's Hair Fashions of Belleville, compliments of Janice Welt. Prizes were collected by Mary

Witters and Carolyn Bryan; decorations were handled by Jean Koski and Mary Herring; publicity by Mary Duff and Jean Koski; programs by Sophie Zollar and music by Georgia Gramlich. The Mothers Club wishes to thank all those who helped make the show a success by their involvement especially members of the Men's Club and the Christian Workshop Commission.

Doak-Broughton wed

Candlelight sets mood for wedding

In a recent candlelight ceremony at the First United Methodist Church of Belleville, Deborah Broughton became the bride of Jimmy D. Doak. The Rev. Joy Arthur presided at the 6 p.m. double ring rite conducted Jan. 31 before some 150 relatives and friends. Sprays of gladiolas, carnations and baby's breath adorned the altar and organ music was played by Mrs. Gwen Ashe. Mr. and Mrs. Frank Broughton of 40521 Alden Dr., Belleville, are parents of the bride. The bridegroom, who resided in Romulus, is the son of Mr. and Mrs. Jim Doak of 34596 Sims St., Wayne. Given in marriage by her father, the

bride was gowned in an organza creation frosted with rosepointe lace, the empire bodice featuring wrist-length sleeves and the floor-length skirt extending into a chapel train. A circular headpiece secured the bride's lace-banded illusion veil which drifted to floor length and a bouquet of pink carnations surrounded by baby's breath and miniature white roses completed her ensemble. As her sister's honor attendant, Sharon Broughton of Belleville was distinguished by her yellow organza gown designed with a hooped skirt and accessorized by a picture hat to match. Another sister, Linda Laughlin of

Oklahoma City, Okla., and Donna Burke of Belleville were bridesmaids in matching green organza outfits. Also in yellow was the flowergirl, Angela DeCormier, niece of the bride who wore baby's breath in her hair and carried a basket filled with carnations and baby's breath. James Broughton was ringbearer at his aunt's wedding. Best man was Cliff Rossvanes and groomsmen were Rick Doak of McMinville, Tenn. and Frank Doak of Wayne, brothers of the bridegroom. Acting hosts and door ushers were Thomas and James Broughton, brothers of the bride. For her daughter's wedding, Mrs. Broughton donned a formal gown in beige with a multi-colored overjacket to harmonize with the wedding colors. The bridegroom's mother chose to wear a beige floral gown. Both were presented with carnation corsages.

The dinner-dance reception which followed was held for 350 guests at the P.N.A. Hall of Belleville. Hostesses were Kathy DeCormier, sister of the bride; Roberta and Peggy Broughton, her sisters-in-law, and Debbie Doak, sister of the bridegroom. Among those attending were the bride's grandparents, Mr. and Mrs. Francis Blade from the Upper Peninsula. After returning from a week-long honeymoon in Tennessee which included a visit to the Grand Ole Opry, the newlyweds took up residence at Lake in the Woods Apartments in Ypsilanti. The new Mrs. Doak is a 1974 graduate of Belleville High School. Her husband graduated from McMinville High School in Tennessee, spent four years serving with the U.S. Air Force and currently is employed at Kelsey Hayes in Romulus.

Bob Grays observe silver anniversary

The 25th wedding anniversary of Mr. and Mrs. Robert Gray was observed Feb. 8 from 3 to 5 p.m. at their home at 42435 E. Huron River Dr., Belleville. The open house included guests from Jackson, Walled Lake, Tecumseh, Addison, Jerome, Ann Arbor, Midland, Ypsilanti, Belleville and Toledo, Ohio.

The couple's two sons, Mark and Steve, and Mrs. Gray's mother, Mrs. Florence Burnett of Addison, also joined in the silver year celebration.

A special cake, made for the occasion by Mrs. Arthur Shephard of Belleville, was cut by Mrs. Oletha Cook of Jackson. Mrs. Gray's aunt who also had the honor of cutting the wedding cake 25 years ago. Mrs. Clyde Batzer and Mrs. Clyde

Stapleton, both of Belleville, assisted with the serving. The guest book was circulated by Mrs. Eleanor Baker of Jackson.

The open house was followed by a light lunch for the out of town guests.

Phyllis Burnett became Mrs. Robert Gray on Feb. 8, 1951 at the Addison Methodist Church. Both the Grays are on the teaching staff of Van Buren Public Schools, he being a sixth grade teacher at Haggerty Elementary School and she a first grade teacher at Rawsonville Elementary School.

Mrs. Gray is a member of Alpha Delta Kappa teachers' sorority. Her husband is a member and past president of The Belleville Rotary Club.

Huron Junior High gymnasts will perform

Miss Doris Izykowski, fondly known as "Miss Izzy" by students and staff at Huron Junior High School, is counting on the girls' physical education classes to make a sizeable contribution in recognition of National Physical Education Week March 1-7.

The girls will perform in a program of gymnastics for parents from 4 to 9 p.m. March 4 at the junior high gymnasium. Most of the seventh and eighth grade girls in the third, fourth and fifth hour gym classes will participate in exercise routines set to music, tumbling warm-ups and

gymnastics on the uneven bars, balance beam and also vault and floor exercises. Miss Izykowski explained that the week of March 1-7 was set up by the National Physical Education Assoc. as a time for physical educators and friends of physical activity across the country to speak in unison for the new physical education for children and youth. For this reason, she has attempted to contact the media to be present at the program and is hoping for live television coverage.

Scouts enjoy museum visit

Girl Scout Troop No. 589 of Elwell School took part in a special day for Girl Scouts Feb. 8 at the Henry Ford Museum in Dearborn. An exhibit, "Warp and Weft", was set up especially for the girls so that they could see how wool was processed from the shearing of the sheep to the weaving on the loom.

Each girl was given the opportunity to try her hand at weaving on a small loom and also was able to see candles dipped and brooms made.

Another recent activity on Feb. 18 was a tea served to the teachers and staff of Elwell school. Girls taking part in serving tea and cookies were Mary Louise Ferrell, Sandy Ostrowski, Tammy Depriest, Sherri Daroci, Glenda Hall, Elizabeth

Gamaache and Susie Whittenberg. Troop leader Georgianna Warren currently has her girls involved in making pioneer dolls in order to earn their sewing badges.

Foodservice forecast

Americans now spend about one out of every three dollars spent for food at a foodservice establishment, either some type of restaurant or an institutional food-service-cafeteria operation.

By the mid-1980s, it is estimated that one out of every two food dollars will be used to purchase meals away from home. Foodservice is one of the nation's fastest growing industries, with a 9 percent annual growth rate, after allowing for the effects of inflation. Meat is the most popular foodservice item.

Card's off to parents

Youngsters from the Huron Countryside Cooperative Nursery paid a visit to the New Boston Post Office Feb. 9 in order to mail the valentines they had made to their mothers and fathers. Bobbie Nichols, the son of Mr. and Mrs. Robert Nichols of Trenton, was among those given a little assist in reaching the mail slot. At class on Feb. 13 the children enjoyed trading valentines, playing games and eating the treats their mothers had made for their Valentine party. Membership applications for enrollment are still being taken for morning and afternoon classes. For further information, call Larine Mayne at 728-5437.

Scout cookie sales net highest profits

Highest profits in Girl Scout cookie sale history have been recorded by area Girl Scouts this year it has been announced by Mrs. Jean Spence of Ann Arbor, Huron Valley Girl Scout Council 1976 chairman.

Profits totalled \$221,190, up 21 percent over those of last year's \$182,500. Of this total, Council Board of Directors has allocated \$60,600 to the participating Girl Scout troops for their own projects such as community service work, purchase of campaign equipment and other troop activities.

The balance, \$160,590 will fund council campaign scholarships and maintenance of camp facilities and office and general operations of the organization whose membership is growing at the rate of over 8 percent per year.

Over 7,000 Junior, Cadette and Senior Girl Scouts in Washtenaw, Livingston, western Wayne and northern Monroe counties took part in the sale of five flavors of cookies, crackers and tea. Brownie Girl Scouts do not participate in the product sale.

"We are pleased to record substantial increases in our funding for the Council," Mrs. Spence said in announcing sale results. "However, total sales were not as high as we had hoped. Due largely to the price increase of 25 cents per box, we feel, total sales were down from 382,000 boxes last year to 303,000 boxes this year. But of course, this same price rise boosted our profits.

To help restore some of the difference, Girl Scout troops are planning energetic direct sales during the cookie delivery period March 23 to April 6. Sidewalk sales are traditionally held at shopping centers, business sections and campuses for people missed in the earlier order taking.

The Huron Valley Girl Scout Council, a United Way agency, is licensed by the State of Michigan to conduct the 1976 Cookie Sale under license number 9054. All Girl Scouts delivering cookies next month will carry identification cards bearing this license number.

'Mini' pig for science

A "mini" pig has been developed by the United States Department of Agriculture for use in swim research projects. Called Greer-Radeleff hogs, the "mini" pig thrives in small pens and is very docile, permitting research work which requires frequent handling. Greer-Radeleff hogs have normal gestation and farrowing compared to standard hogs, but do have smaller litters.

What is good music for children? Music comes in many types, from the mainly electric, but always tuneful melodies of SESAME STREET, to the bombardment of rock, both acid and very soft, that we hear every day on the television. But all kinds of music are important, and there are many really wonderful recordings of children's music that prepare them to understand something of the classical as well. Besides that, records like the NUTCRACKER, and Peter And The Wolf are so easy for adults to listen to, too. Want a change? Burl Ives records some great folk songs for children (also good for adults!)

Community news

Residents return from warmer climates

By Mrs. Joseph Spring
699-4021

Mr. and Mrs. Vernon Ketchum of Harmony Lane recently returned from a trip to Florida where they

spent a few days with the latter's brother and wife, Mr. and Mrs. B. F. Brender at Largo. They also called on a former Bemis Road resident, Mrs. Lewis (Helen) Marks at Bradenton, toured the Busch Gardens, Tampa

and St. Petersburg.

After a 10-day trip to California, Mrs. Margaret Anderson of E. Huron River Drive recently returned home. While gone she spent a week with her sister, Mrs. Naida Main, at Red Bluff,

and a few days in San Francisco where she enjoyed side trips to Muir Woods, Monterey Peninsula, Carmel by the Sea, a tour of the Bay Area and Fisherman's Wharf with lunch at Alliotto's.

Guests this past week at the home of Mr. and Mrs. Irwin Steck of Robbe Avenue were the latter's brothers, Walter Hellwig of Chicago and Jack Hellwig of Cicero, Ill.

Mrs. George Robson of Tyler Road recently spent several days at the home of her son-in-law and daughter, Mr. and Mrs. Donald Zimmer and family, of Charlotte.

A cousin, Mrs. Ella Dawson of Grand Rapids, was a recent guest at the home of Mrs. Henry Sager and her brother, Marvin Meerse, of W. Columbia Avenue.

Mrs. Minnie Moser of San Antonio, Texas; Mrs. Helen Wilson of Liberty Street and Mrs. Charles McKelvey of Bemis Road were recent callers on a friend, Mrs. Roy Sugars of Wayne.

Mr. and Mrs. Lester Hall of Borgman Street have received word of the marriage of their son, Paul B. Hall, who is stationed at the U.S. Air Force Base at Jacksonville, Fla., to

Norma Matteson, also of Jacksonville, on Feb. 3, in the above city.

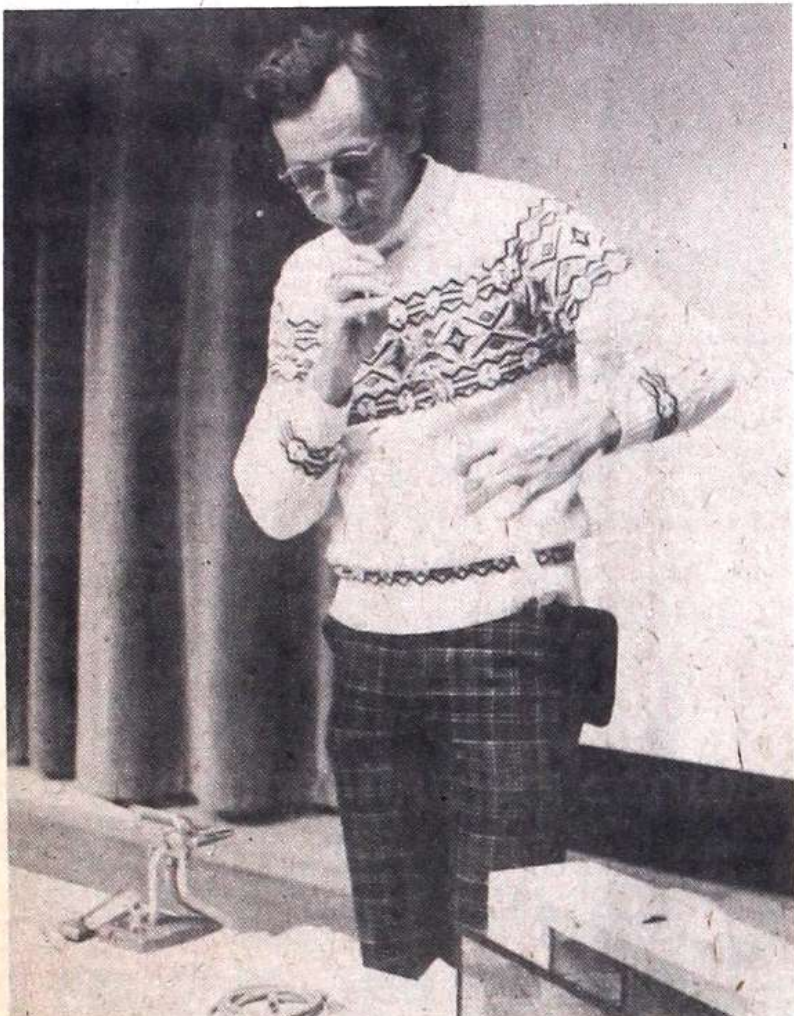

Mr. and Mrs. Nelson Boone of Bedell Street were recent guests at the home of their daughter and husband, Dr. and Mrs. Robert Scharp and family of Big Rapids.

Members of Belleville Assembly No. 49, Order of Rainbow for Girls, who attended a majority dinner and reception Feb. 21 at Wayne Assembly No. 72, were Denise Welt, Grand Choir; Roberta Welt, Charity, Gloria Girard, Faith, and Sandy Wilson, Nature. The girls were accompanied by the Mother Advisor, Rose Ann Welt, and members of the Rainbow board, Elda Bohl and Juanita Akers.

Mrs. Willis Moser of Bedell Street recently entertained a group of relatives at a luncheon honoring her sister, Mrs. Minnie Moser, of San Antonio, Texas, who is spending some time visiting relatives in this community.

Mr. and Mrs. George Robson of Tyler Road were recent dinner guests of the former's sister and husband, Mr. and Mrs. Lester Heywood, formerly of Dearborn but now of Farmington Hills.

Mr. and Mrs. William F. Damske of Dearborn were recent callers at the home of Mr. and Mrs. Darryl H. Raymond Sr. of Wabash Street.

EMU professor is guest

Dr. Bruce B. Graves, a chemistry professor at Eastern Michigan University (EMU) and husband of one of Belleville High School's chemistry teachers, recently gave a lecture demonstration to assembled chemistry students plus a few interested biology and art students. The topic of his talk was scientific glassblowing and the unique characteristics of glass. He showed by using an oxygen-gas torch how pyrex tubing is converted into complicated scientific apparatus-like condensers, pumps and vacuum

lines used in research. He demonstrated, too, such techniques as blowing bulbs and huge, balloon-like glass kidneys. Dr. Graves also discussed the special properties of glass that make all this possible and yet at times difficult: as — the surprising strength of freshly made glass fibers and the unequal expansion and contraction of the material with temperature that results in strain. A video tape of the lecture demonstration was prepared by the EMU audio-visual department.

Heather has a new brother

There was an increase in the Romulus population Jan. 20 when Eric Gene Welch put in his appearance at Beyer Memorial Hospital in Ypsilanti. His parents, Eugene and Deborah Welch, reside at 37500 Castle Dr., Romulus.

The 5 lb. - 12 oz. newcomer is the

new brother of Heather Michelle who's 2½ years old.

Their mother is the former Deborah Final, daughter of Mr. and Mrs. Robert Final of Largo, Fla. The children's other grandparents are Mr. and Mrs. Ernest Welch of Romulus and Mr. and Mrs. Robert Dennis of Westland.

Kline family 'gets away' from winter

Recently returned from a "get away from the cold" trip in their motor home are Chuck and Lucy Kline and their children of Cherry Avenue, Romulus. Heading south, they didn't slow down for sightseeing until the weather had turned warm which was near the Florida border.

Among the places they visited were the Stephen Foster Memorial Park in White Springs, Fla., the Circus Museum in Sarasota and the underwater show at Weeki Wachee.

They also visited other Cherry Avenue residents, Les and Sylvia Hopkins, who were vacationing with her parents, Chuck and Lois Lloyd, formerly of Romulus, at Ft. Meyers. Enroute home they spent time with relatives in Asheville, N.C.

Include your number

PLEASE include a telephone number with any news item you send in or drop off at the office. Make sure it's a number where you can be reached during working hours (9 a.m. to 4 p.m.) It is important since quite often stories need to be verified or spellings on names have to be checked.

REMEMBER... a phone number, please!

ADK sponsoring art contest

Alpha Delta Kappa, (ADK) teachers' sorority, held a silent auction during its regular meeting Feb. 10 at the home of Mary Sue Steeper of Romulus. The group's goal was to raise funds to sponsor a Bicentennial art contest for students in the Van Buren School System.

All entries for the competition must be submitted to an art teacher no later than April 5. Following the judging, awards will be presented and a number of the entries displayed at the May 23 Spring Band Concert at the Belleville High School auditorium.

Jennifer Lynn makes debut

Mr. and Mrs. William D. Groves I of 13660 Martinsville Rd., Belleville, and their son, William D. Groves II, are proud to announce the new addition to their family.

She's Jennifer Lynn, who made her debut Feb. 22 at Riverside

Osteopathic Hospital in Trenton. Her weight was recorded at 8 lbs. - 9 oz.

The children's grandparents are Mrs. Genevieve Groves of Belleville and Mr. and Mrs. Theodore Coblentz of Wayne.

Board delays shop rezoning

Action has been delayed on making a final decision on a rezoning request to place a Draw Tite trailer hitch shop on Martinsville Road in Van Buren Township.

At its last regular meeting, the Van Buren Township Board first rejected a tabling bid on a rezoning decision, halted a bid to approve the rezoning and then sent the matter back to the Planning Commission for further study.

Township Board members Fred Domen, Darwin Kureth, Jerry Maton and Dorothy York voted to send the rezoning request on the 5.5 acre site back to the Planning Commission for further study after discussing whether it could be considered spot zoning and whether a lack of sewage lines to the site was adequate reason to reject the request.

Township Clerk Patricia Cullin and

Township Trustee Thomas Kelley opposed the reconsideration request of the planners.

2 men join Rotary unit

The Belleville Rotary Club has added two members to its rolls. Tom Wilson and William Pike have joined the club.

Wilson lives at 245 Roland St., Belleville, and Pike lives at 14838 Haggerty Road, Van Buren Township.

Dues for the Rotary Club are \$20 per year and are payable to member Bob Baker.

CAP colonel joins squad in promotion

Civil Air Patrol (CAP) leader Lt. Col. Alan R. Creighton was on hand recently to promote 1st Lt. JoAnn Douglas to the rank of Captain in the Wayne-Romulus Squadron.

While visiting with the squadron members, the lieutenant colonel took charge of the unit's monthly drill-off.

Although inclement weather has slowed the activities of the squadron, the unit held a holiday party and 16 of its members took part in a Come Fly

With Me, that involved a total of 81 CAP cadets. A similar flying program, in which the cadets travel in CAP planes, is being planned for this month.

A new commander for the Wayne-Romulus squadron is M. Sgt. Andrew Orgovan, and there also is a new senior member, Bill Dubois, who will assist another officer with communications and instructing the cadets on how to operate radios.

Little Indians

It was a meeting of the chiefs recently when youngsters of the Romulus Public Library's Story Hour listened to tales of the Wild West. The youngsters donned Indian head dresses for the occasion. Part of the "tribal council" were Mary King (top, left), Paul Pyenta (top, right) and Bruce Overholser (at right). The story hour is staged by Diane Hazen and is part of the activities at the library, located in the Romulus Civic Center at Goddard and Wayne roads. — Photos by ANP Chief Photographer Lothar E. Konietzko.

Children discover literature

The Romulus Public Library believes in getting youngsters interested in books early in life. That is why a number of special story-hour programs are open for 3- to 5-year olds in the community.

Conducted by Librarian Diane Hazen and her assistant, Linda Houser, the programs are held at 9:30, 10:30 a.m. and at 1:30 p.m. Thursdays at the library on South Wayne Road. The programs include stories, movies, finger play exercise-type games, working with colors, nursery rhymes and sometimes puppets, Mrs. Hazen said.

She urges parents to enroll their youngsters in the program. Enrollment can be handled at the library or by phone, by dialing 941-0775.

Currently there are 70 youngsters signed up for the three story-hour programs, with from 15 to 20 children attending each session, Mrs. Hazen added. The current series of story hours will end with an Easter party.

He nets award

A Van Buren Township man has earned a "Game Fish Release Award" in the Metropolitan South Florida Fishing Tournament.

Richard E. Wood of 45216 Jeannette St., Van Buren Township, earned the award when he caught and released a sailfish while fishing out of Islamorada.

Y-Teen officers

With a lack of activities for its female students a problem at Romulus Senior High School, young women are joining the Y-Teen Club of the YWCA of Western Wayne County. Heading up the young women's club are Janet Wilson, secretary (from left); Nora Hatcher, treasurer; Deborah

Reed, assistant program director for the YWCA; Carol Roberson, president, and Eleanore Ayers, finance chairman. Also involved with the group, but not pictured, is Belinda Wilson, program chairman, and Marjorie Allison, vice-president. —ANP photo.

Teen club means fun

Since Romulus High School doesn't have much in recreational activities for female students, Dean of Students Georgia Badgett encourages involvement in the Y-Teen Club.

Although school officials really don't have much to do with the club, girls are encouraged to take part in club activities and meeting space is provided for club members, Mrs. Badgett said.

Club members meet every two weeks on a Thursday at the school and plan activities both of a service and social function, the dean continued. Club members have planned swimming parties, organize activities at the Western Wayne County YWCA and also have visited patients at Annapolis Hospital to cheer up their day.

Currently 20 students are involved in the club.

WCHB is member of NAACP group

The Romulus-based Bell Broadcasting Co. (WCHB-AM radio and WJZZ-FM radio) had become the first corporation in the Detroit area to become a Golden Heritage member of the National Association for the Advancement of Colored People (NAACP).

The Bell-Cox-Bass family which owns and operates the first black-built

radio station in the United States, has contributed to the NAACP's "fight for freedom" fund dinner since its inception.

The family holds more than 20 lifetime memberships in the "Golden Heritage" and have awarded them to outstanding individuals in the community who have distinguished themselves in race relations.

8 chamber members vie for board seats

Eight members of the Belleville Area Chamber of Commerce are vying for four spots on the chamber's Board of Directors.

Chamber members John Barber, Chris Bentley, Leland Jordan, Jearald Krause, Robert Parent, Karen Shumate, Richard Steel and Michael Workman are seeking 3-year terms on the board.

Of the eight, only Barber, owner of John Barber, Inc., has served on the Board of Directors in the past.

Mrs. Bentley is the owner of Bentley Nursery and Craft Center in Van Buren Township.

Jordan is the owner of Craftmasters Inc., of Sumpter, and Krause is manager of the National Bank of Detroit branch at Lakewood Shopping Center.

Parent is the owner of Sun and Snow Sports Inc., of Belleville.

Mrs. Shumate is the resident manager of the Lemontree Apartments in Van Buren.

Steele is of Peaker Services Inc., of Belleville, while Workman is manager of the Earl Keim Realty office in Belleville.

Outgoing board members are Neal Banks, manager of the Belleville National Bank of Detroit branch, Robert Beck of Becks Grocery and Party Store, Edward Kapelanski,

Steve Kuchta of Sentry Insurance and Dick Wood of State Farm Insurance.

The date for tallying the board election results is March 17.

The four new members will join eight hold-over members to the board, including Kurt Atchinson of Atchinson Ford, Hazel Bigham of the Wyandotte Savings Bank in Van Buren Township, Peter Doyle of Lakeview Printing, Barbara Rogalle Miller of Rogalles Bar, Patricia Cullin, clerk of

Van Buren Township, Dr. Richard Muse, Darryl Raymond of the Henry R. Deering Insurance Agency and Dorothy Schroeder of D.R. Schroeder Real Estate.

The elections will complete the paring of the full chamber board from 15 members back to a more workable 12-member group.

Following the board elections, the board will select its president to replace Doyle who has held the post for nearly two years.

Workers at John Elden Chevrolet in Belleville loaded a brand new automobile engine on their truck for shipping to the Belleville High School vocational education class last week. Terry Wilburn (from left) service manager, and Gary Hart, parts manager, offered the engine to Bill Nagy, supervisor of vocational education in Belleville

High and students Rick Comer and Pam Blankert, both juniors. The engine is one of three donated to area school districts. Earlier, the Romulus Community School District took shipment on two engines and several car-burators for its vocational education classes. ANP photo.

WCCC readies class for upgrading job skill

Wayne County Community College (WCCC) again is offering a practical course for unemployed or underemployed persons who want help in looking for a job, or upgrading their job skills.

Three sections of the course, "Employment Search Techniques: A Practical Course for Job Seekers," will be offered beginning in March, through the college's Community Services program.

Tuition is free for persons who are unemployed, underemployed or

otherwise unable to pay. Regular tuition costs \$11.

One section of the course will begin March 4 at Finney High School, 17200 South Hampton, Detroit. The class will meet weekly for six weeks from 6:30 to 9:30 p.m. Thursdays.

A second class will meet at WCCC's Greenfield Center, 8551 Greenfield, Detroit, beginning March 6. This will be a 4-week class and will meet from 9 a.m. - 1 p.m. Saturdays.

A third section will begin March 8 at Kennedy High School, 13505 Pine in

Taylor, and meet for five weeks from 6:30 - 10:30 p.m. Mondays.

In addition to teaching techniques in job seeking, the employment search course also will assist participants with career selection and personal problems arising from unemployment.

Persons interested in enrolling should call 965-6090 or visit the WCCC Community Services office at 163 Madison Avenue at John R. in downtown Detroit.

Talk with the leader

Van Buren Township Supervisor G. Elton Gollwitzer (right) took time out from his busy schedule last week to meet with students from Belleville High School. Gollwitzer and other elected and appointed officials spent the day showing the students the operating of the township as part of instructor Ermil Jones' community affairs class at Belleville High School. After the Feb. 19 day-long

meeting, Gollwitzer said: "This is an important activity because an aware electorate makes a better community." At one point during the visit, Gollwitzer said he had to handle a "minor emergency" and said it proved valuable to the students, since it showed some of the pressure associated with operating a community government. — ANP photo.

Schools receive aid

Four Western Wayne County School districts are among 15 such systems in the 13th Michigan Senatorial District to share \$12 million in federal and state aid.

The state aid to the four districts will be \$150,900 for the Lincoln Con-

solidated School District, \$321,430 for the Romulus Community Schools, \$492,984 for the Huron School District and \$293,400 for the Van Buren Public School District.

Receiving funds for Title I programs — those for special education projects for children from

economically deprived homes — were the Romulus Community Schools, \$360,955; Huron School District, \$50,878; Van Buren Public School District, \$34,971.

The Van Buren Public Schools also netted \$4,574 for Vocational Education funding.

In Van Buren, Romulus

Beef, poultry, fish star on school menus

The cafeterias in the Romulus Community and Van Buren Public School Districts will run the gambit next week, serving from beef to poultry to fish as part of the weekly bills of fare.

In the Van Buren elementary schools the menu Monday will be bowls of chili, hot dogs on buns, french fries, cookies and milk, with soup, pizza, tossed salad or cole slaw, pudding and milk slated for Tuesday.

Harris to hold town meet on county government work

Wayne County Commissioner Edgar Harris will conduct "a sort of seminar, or town hall meeting," at Romulus City Hall next Wednesday, when he will discuss the duties and recent activities of the County Board of Commissioners "in an effort to bring government closer to the people."

Organized around the topic "Know Your County Government," the meeting will begin at 7:30 p.m. and will include a film depicting various county departments and agencies.

All interested citizens are invited to attend and participate along with several Romulus City officials who also will be present, Harris said.

"The idea is to try to present a clear picture of what goes on generally in county government and to clarify activities of our board that have captured the headlines lately," Harris added.

Moose Lodge set for new enrollment

The "Westerners" will be providing the musical entertainment following the enrollment of new members of Belleville Lodge 934 of the Loyal Order of the Moose on March 6.

The enrollment will be held at 8 p.m. at the Moose Home, with a dinner served from 5 to 7:30 p.m. by the Women of the Moose.

In other activities at the lodge, the Legion Committee held a legion breakfast last Sunday at the home as part of a monthly project. All members and their wives were invited to attend.

William Groves of the lodge and his wife, Sandy, are the proud parents of a baby girl, according to a lodge spokesman. Also a proud grandmother is Genevieve Groves.

Preston Thacker and his family received the lodge's condolences on the loss of his father, as did Richard Dettloff and his family on the loss of his father.

Birthday wishes from the lodge went out to George W. Steger who marked another year on Feb. 22.

City council aids CUFA

The Romulus City Council has voted unanimously to subsidize the Romulus-based Communities United For Action through the offer of city office space.

At a recent meeting, the council voted to give CUFA office space in the city for 4-hours each day at a time deemed most convenient by Mayor James C. Stewart.

The program format will feature opening remarks by Harris, then presentation of the film, followed by a question-and-answer session.

A Democrat, Harris served for 11 months on the Board of Commissioners by appointment of his colleagues until he was elected to his first full 2-year term in November 1974.

He is a member of the board's Ways and Means and Public Works committee, and has served on a sub-committee on the former County Child Development Center. He also serves on the county Board of Health and county Industrial and Commercial Development Advisory Council which he originated.

Harris represents District 26, which encompasses most of Taylor, plus Romulus and Flat Rock, and Huron Township.

New Low Tar Entry Packs Taste Of Cigarettes Having 60% More Tar.

'Enriched Flavor'™ idea succeeds—increases taste of new 9 mg. tar MERIT without the usual increase in tar.

You can write today for a study conducted by the American Institute of Consumer Opinion for Philip Morris showing new MERIT delivers as much—or more—flavor than five current leading low tar cigarettes.

Brands having up to 60% more tar than MERIT!

The reason is 'Enriched Flavor.' An extraordinary taste find developed and perfected after years of research at our Richmond Research Center.

And it's only in MERIT. At 9 mg., lower in tar than 98% of all cigarettes sold today.

If you smoke—you'll be interested.

Taste-Tested By People Like You

9 mg. tar MERIT was taste-tested against five current leading low tar brands ranging from 11 mg. to 15 mg. tar.

Thousands of filter smokers were involved, smokers like yourself, tested at home.*

The results were conclusive.

Even if the cigarette tested had 60% more tar than MERIT, a significant majority of all smokers tested reported new 'Enriched Flavor' MERIT delivered more taste.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, 9 mg. tar MERIT MENTHOL performed strongly too, delivering as much—or more—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough. Now smoke the cigarette.

MERIT. Unprecedented flavor at 9 mg. tar.

New facility planned near city hall

Romulus may have to build District Court

It appears as though Romulus will be going it alone on the construction of a new 34th District Court Building.

Mayor James C. Stewart said city officials are leaning toward building the new facility on land adjacent to the Romulus City Hall near Wayne and Goddard roads.

"If that happens, I doubt other communities will chip in to help us build the court," Stewart said. "It would be benefitting our civic center, and I don't blame other communities from shying away from that."

Stewart added that Romulus no longer will be saddled with the cost of operating the court after the new building is constructed, however.

"We have a firm agreement that the costs of operation will be shared," he said.

Romulus at one time had plans to build a court near the city hall-library complex at the intersection. However, those plans were scrapped in 1973 in favor of a program where the five communities involved - Belleville, Romulus, and the townships of Huron, Sumpter and Van Buren - would pool resources to build a new structure near the Haggerty Road - Huron River Drive intersection.

The need for the new structure became apparent when the communities learned that the Wayne County Road Commission (WCRC) which operates Detroit Metropolitan Airport, wanted to purchase land along Eureka Road west of Middle Belt Road, on which stand the old one-room school house used as the 34th District Court and the Romulus fire station.

The parcel of land is the remaining piece of a large acquisition made by the WCRC to expand the airport and also is needed for the eventual widening of Eureka Road.

Presently, the court operates under what court officials say are nearly unmanageable circumstances, with one judge's office in a trailer parked adjacent to the structure and only one court room for the use of the two district judges - James B. Stone and Henry Zaborski.

No timetable has been set for Stewart for the construction of the court, but the mayor said he would favor starting the construction sometime this year, if possible.

City plans are to use the money given to the community for the purchase of the court land to build a fire station on the corner of Middle Belt

and Eureka roads to replace the existing station near the old court building.

"We won't have any details on the amount of money we'll receive until the new court is firmly planned."

Stewart said. "Then we'll begin negotiations in earnest with the Wayne County Road Commission."

In Romulus

Building starts slow down

The Romulus Building Department reported a slow month in January, with only an estimated \$71,600 in new construction planned by developers during the 31-day period.

The total is down from a long string of \$100,000 or more construction months in the city during the past year, and a 1662,000 month in December.

Included in the totals of new construction for January are one new single family home valued at \$26,700, eight additions or alterations to homes valued at \$42,900 and one new sign, valued at \$2,000.

Permit fees on new construction totaled \$366 for the month.

In addition, some 101 special per-

mits and licenses were taken out for heating, electrical, refrigeration, plumbing and construction site work during the month.

Total fees for the permits \$1,327 bringing the department's income for the month to \$1,693.

The low totals may be due to the harsh weather conditions during January.

Talented residents needed

The residents of Huron Township are invited to participate in a talent show scheduled for March 10 at Huron High School.

Residents will compete in five entertainment categories as part of an "Entertainment '76" show, sponsored by the Huron High School Student Council.

All area residents who have talent in solo, or group musical entertainment, acting, miscellaneous entertainment activities such as magic shows or entertainment skills such as baton twirling or gymnastics, are urged to audition for a part in the show.

Auditions will be Feb. 26 at the high school lecture hall.

Persons interested in participating are urged to call 782-1437 for information.

Judging will be done in five categories with talent winners in each receiving a prize.

Kline nets firm honor

Republic National Life Insurance has named Charles R. Kline, of K-Line Insurance as the recipient of the 1975 National Quality Award.

The award is presented each year by the National Association of Life Underwriters, to those life insurance salesmen who reach certain criteria which includes not only the amount of life insurance a man sells, but also the quality that he maintains among his clients.

This is the third consecutive year that Kline has won the award.

Cochrane is editor of Enterprise-Roman

A widely recognized Michigan newsmen who has been news editor of Mellus Newspapers, based in Lincoln Park, for the past three years today was named editor of Associated Newspapers.

Associated Newspapers, a division of Panax Newspapers, publishes The Wayne Eagle, The Westland Eagle, The Romulus Roman, The Belleville Enterprise and The Canton Eagle.

Bob Cochrane succeeds Lucy Wiesend, who resigned to assist her husband in a small business he operates.

John Tarrant, general manager of Associated Newspapers, who made the appointment, said he "accepts Mrs. Wiesend's resignation with regrets."

"She has made several important contributions to the improvement of our editorial product," Tarrant added. "However, I feel confident that Bob Cochrane will continue the efforts that now are under way to improve the news coverage and editorial leadership of this area."

Cochrane, who has won numerous journalism awards in recent years, including an American Legion Auxiliary Golden Press Award in 1973 for a series on drug abuse, brings a varied newspaper background to his new assignment.

A 1958 journalism graduate of

BOB COCHRANE

University of Michigan he has been a reporter, or department editor on the Grand Rapids Herald, Jackson Citizen-Patriot, Marion, Ind., Leader-Tribune and Fort Wayne News Sentinel.

He began his writing career as a parttime high school sports reporter for the Coldwater Daily Reporter under one of the deans of Michigan newspapering, Seton Bovee.

In addition, Cochrane served as press relations aide to U.S. Rep. Garry Brown when Brown first was elected to Congress from Michigan's Third Congressional District in 1966.

Tarrant, emphasizing Associated Newspapers' intention of strengthening its area news coverage, said Cochrane was selected because of his experience as news editor at Mellus Newspapers.

"We think we are most fortunate that Panax Newspapers had in its organization a man such as Bob Cochrane who, we believe, because of his experience at one of the country's best weekly newspapers so ideally meets the needs and requirements that Associated Newspapers has at this particular time," Tarrant added. "We are confident that the people of Wayne, Westland, Belleville, Van Buren Township, Romulus and Canton Township will come to appreciate and respond to his leadership and service as Associated Newspapers moves to provide both of these elements to the community."

Martin Heim, group vice-president for Panax Southeast Michigan Region, called Cochrane's appointment "another step in a carefully conceived Panax program to increase and improve our participation in the affairs of the areas we serve."

Agron Vasha climaxed a brilliant wrestling career at Westland John Glenn by winning a Michigan High School Athletic Association Class A State title.

The 17-year-old senior, who has amassed a 119-16 won-lost record won the state title in the 115-pound class by jolting West Bloomfield's Mark

Messer on a fall in 4:40.

Vasha became the first wrestler in Glenn history to win a state title.

Messer upset Vasha earlier in the season at the Schoolcraft Invitational. The victory up at East Lansing on

Franklin cagers rule Northwest Suburban

A spectacular comeback after the New Year paved the way to Livonia Franklin's third Northwest Suburban Conference basketball championship in five years.

Coach Bob Visser's Patriots crushed Thurston 63-52 Friday night to win the championship outright.

After losing their first five games of the season, Franklin returned from the Christmas Vacations to string together nine wins and finished the stretch run with a 13-2 record.

"I'm proud of the way these kids played," Visser said. "They could have gotten discouraged when we were losing but they didn't and in a matter of time, they came back."

Franklin would up the league season with a 7-1 record.

The Livonians jumped on Thurston 17-10 in the first period and widened the margin to 41-22 at halftime. And, for all purposes the game was over then as Visser used most of his bench strength in the final two periods.

John Elmore's 12 points stood up as Franklin's top individual scoring performance while teammates Dan Pederson and Sam Williams accounted for 11 and 10 points respectively.

Glenn meanwhile brought down the curtains to a dismal conference season on the shortend of a 53-34 decision at home against Garden City East.

Close until the fourth period, the Westlanders hit a cold streak in the fourth period and managed to put only four points on the board. East pulled away for good by outscoring their hosts 22-14 in the fourth period after leading by a slim 22-16 margin at intermission.

Most of Glenn's headaches was caused by a hot-shooting Ken Tomaszewski who accounted for 21 of East's 53 points. Tomaszewski hit on 10 field goals and made a free throw.

He was the only player in double figures from either team.

Muscling his way to the boards is Westland John Glenn's Todd Deluca (14) who finds Garden City East's Jim Riley (34) unwilling to give ground. Deluca scored six points in Glenn's 53-34 setback in the Northwest Suburban Conference finale.

Stop sign

All bottled up is Glenn's Tom Jurewicz (52) who is surrounded by Garden City East's Wally Krol (30) and Bob Davis (10) while Ken Tomaszewski (32) closes in.

Tomaszewski's 21 points triggered the Panthers' 53-34 victory over the Westlanders in the final Northwest Suburban Conference game of the season.

Gymnasts finish dual competition

The Schoolcraft College gymnastics team has completed its regular season and is now preparing for national competition which begins March 12.

At the Triton Invitational in Chicago, the Ocelots placed third. Co-captain Brian Ratliff took a first place on rings with a new school record of 88.55 points, and a second place on parallel bars.

John Timm and co-captain Doug Foster placed fifth and seventh respectively in the all-around, and Bill Mainville placed fifth in long horse vaulting.

The Ocelots set a new team scoring record with 116.15 points while placing third in a tri-meet against DuPage

College (126.15; and Eastern Michigan University (132.20) on February 20.

Led by Foster with a record setting 8.05 on floor exercise, Ratliff followed with an 8.2 on rings and a 7.9 on parallel bars, and Mainville tallied a personal high of 8.1 in vaulting.

John Timm finished just six-tenths of a point from a new all-around record with his score of 36.95. Other team members contributing to the record team score were Cliff Hurd, Lyle Percival, Dave Boehm and Jeff Piotrowski.

The Ocelots will compete in the National Junior College Athletic Association (NJCAA) gymnastics championships at DuPage College in Chicago on March 12 and 13.

Softball meeting set

There will be an organizational softball meeting for all those interested in playing in either the men or women's leagues in the Westland Parks and Recreation summer program.

The meeting will be held on Saturday at the recreation offices, 32715 Dorsey Rd., Westland. The women's major and minor leagues

will get together at 7 p.m. while the men's leagues will meet at 8:30 p.m.

There will be a discussion about entry fees, beginning dates, rules and regulations and number of games to be played during the season.

Further information may be obtained by telephoning the recreation offices at 722-7620.

Turning point

Dueling for this loose ball are Belleville's Narvell Turner (35) and Dearborn's Jim Montgomery (34). The Tigers whipped Dearborn, a team that has been a thorn in the

Tigers' sides, 83-62, last Tuesday, then came back to humble Allen Park, 83-58, to post their 17th victory in 20 starts, the best basketball win-loss record in the school's history.

By TOM MOORADIAN
Sports Editor

Belleville will ride the crest of a 7-game winning streak, a strong second place finish in the Suburban 8 Conference basketball and a 17-3 over-all record, the school's best, to this week's Class A district playoffs at Ypsilanti.

Coach Tom Niemi's Tigers have to hurdle the host, Ypsilanti, in order to get a shot at third-ranked Class A state power, Monroe, on Thursday. The finals will be staged Saturday night.

Belleville crushed its final two league rivals, Dearborn and Allen Park to emerge with a 12-2 conference record, one shy of forcing newly-crowned champ, Plymouth Salem (13-1) to hand over a slice of the title.

Plymouth has won the title outright the last two years.

Niemi's Tigers annihilated Allen Park 83-58 Friday night and last Tuesday whipped Dearborn 83-62.

Kevin Barnes scored nine of his game high 25 points to stake Belleville to a 20-17 advantage in the first period against the visiting Allen Park quintet, then the Tigers tightened the screws and gave up two points the rest of the half and took an insurmountable 44-19 lead into the locker room at intermission.

Niemi had an opportunity to use most of his bench strength the second half.

Barnes, a deceptive guard who is a deft ball-handler, drilled 10 field goals and five free throws for a season personal high 25 points. Teammates Dennis Easley and James Thompson followed with 16 points each, while Narvell Turner turned in with 11 points.

Ross Noel and Bob Fedoruk paced the Jaguars with 13 and 12 points respectively.

Easley and Turner also led the Tigers' assault on the boards where they swept 16 and 15 caroms, more than the combined efforts of Allen Park which had 26.

Belleville had a 60-26 edge on the boards and shot 41 percent (34 of 83) from the field as compared to Allen Park's 22 of 64.

With Easley striking for 12 points in the first period, Belleville raced away from Dearborn 24-14 and built up a 40-23 halftime margin before breezing to an easy 83-62 victory over Coach Jim VanderHull's Pioneers.

Belleville cagers also had too much balance in the field and on the boards

for the Dearbornites.

Belleville cagers also had too much balance in the field and on the boards for the Dearbornites.

Easley's 24 points stood up as the Tigers' top scoring effort. Turner and Barnes supported him with 18 and 16 points, respectively.

However, Dearborn's Bill Stucky pumped in 12 from the floor and picked up to free throws for a game high 26 points.

Belleville, teamwise, looked good in the field, hitting on 36-of-86 shots for 46 percent. Dearborn tallied on 25 of 76 shots or 32 percent.

Easley again proved indispensable on both ends of the court as he hauled down 16 rebounds, Turner counted 11 as did Roy Rutherford.

Miss Johnson wins gymnastics gold medal

Despite a disappointing sixth place finish by her team, Belleville's Denise Johnson captured a gold medal on the uneven parallel bars at the Southeastern Michigan Girls' Gymnastics League Meet.

Miss Johnson was awarded 6.9 points (out of possible 10) to edge her closest rival, Sandy Willey, of Trenton by one-tenth of a point.

Belleville garnered 82 team points in its sixth place finish. Taylor Kennedy, a perennial state powerhouse in the sport, retained the league title. It amassed 120.95 points.

Trenton was runner-up (115.75) while Dearborn finished with 111.85 points, good for third place.

Miss Johnson also finished fourth in the all-around Olympic events (22.95) and teammate Jody Neupert was sixth with 18.7.

Babe Ruth to hold meeting Monday

There will be a meeting of the Belleville-Van Buren Babe Ruth Baseball League Monday at the Bonanza Restaurant in Rawsonville.

The meeting is scheduled for 7 p.m. and all managers and persons interested in managing are urged to attend. All Babe Ruth fans are welcomed.

Further information may be obtained by telephoning Stan Price, president, at 941-9528.

The Babe Ruthers recently held their awards banquet and on hand to discuss baseball was veteran Detroit Tigers' catcher Bill Freehan.

Three teams, league champs - Draw Tite, and two All-Star teams were honored.

Guaranteed challenge:

If you're a young person looking for some real challenge, now's the time to look into the Army. From electronics to carpentry, from cooks to combat arms, the Army today has more challenging opportunities to offer than anyone.

\$361 a month to start

Army pay is better than ever. And with free meals, free lodging, and free medical and dental care, you'll be surprised how far that pay will go.

Job-training courses

Ever wonder where to get that "experience necessary" the classified ads always ask for? A good place is the Army. With hundreds of job-training courses, the Army can teach you skills you'll be glad to have later on.

Educational opportunities

Whether it's finishing high school or earning college credits, being in the Army can help you. And if you sign up for the Army's newest educational program, Project Ahead, you'll be able to start college at the same time you enlist — with the Army paying up to 75% of your tuition and fees for approved courses.

Travel opportunities

Joining the Army can mean a chance to work and live in Europe, Alaska, Hawaii, Korea, Panama or almost anywhere in the continental U.S.

Join now, go later

You can do just that — join now and report up to nine months later — with the Army's special Delayed Entry Program. A terrific option for high school seniors and others with unfinished business ahead of them.

First come, first serve.

To find out which opportunities are open and to have the best chance of getting the one you want, see your Army Representative now. The address and phone number are listed in the Yellow Pages under "Recruiting."

Cherry Hill swimmers retain league title

Cherry Hill swimmers came within four points of claiming sole possession of the 1976 Tri-River Conference championship.

The undefeated Spartans swam second to Riverside at the league meet and the two were forced to settle for co-championships. It was the second time in two years the two have tied for the title.

"It was an extremely fast meet," said Cherry Hill Coach Jerry Pawloski. "New records were set in almost every event."

Cherry Hill garnered three first places as Rick Kogelschatz, a sophomore, won the 100-yard butterfly in an excellent 55.4 and diver Paul Centkowski captured the event with a record-setting 414.15 points.

Pawloski's 400-yard freestyle relay team of Randy Wehrmeister, Dave Koslosky, Mark Cotter and Steve Lillie turned in with a winning time of 3:28.5.

Cherry Hill has qualified nine swimmers for the state meet to be held March 12-13 at Michigan State University in East Lansing.

The Spartan delegation will include Randy Wehrmeister, Kogelschatz, Mark Cotter, Scott Lillie, Mark Burke, Dave Koslosky, Centkowski, Ken Pickett and Eric Wohlfeil.

North wrestlers 'perfect'

North Belleville Junior High's wrestling team capped a perfect 12-0 dual meet season Saturday night by winning the Viking Invitational held at North. North had a balanced performance all day to outdistance a charging Monroe team. North crowned three champions while Monroe crowned six, but team balance prevailed and North won the meet. Teams represented were from Dearborn, Best and Haston, Ypsilanti, Willow Run Monroe and Belleville. North Red, North White, and South Team results are: North White 26, Haston 44, Best 79, Willow Run 80, South 90½ Ypsilanti 91, Monroe 137, and North Red 162.

Chargers own cage crown

Revenge is sweet, especially when it also provides your team with a key to a league championship.

Just ask Livonia Churchill's Pat Montagano whose Chargers trampled Northville 56-36 to clinch the Western Six Conference basketball title outright.

It was Northville that jolted Churchill the first time around. "Winning the title was one of our goals," said Montagano whose team finished with an 8-2 record. "We got off to a good start and became shaky in the middle, losing two."

"The pressure was on us but our team still came back," Montagano said.

Churchill wasted little time with the Colts, racing to a 17-3 first period lead and never looking behind. The Chargers built up a 30-14 halftime advantage as Montagano used his bench indiscriminately.

Tom Bay sparked Churchill's attack as he drilled in six field goals and a perfect 4-for-4 at the free throw line for 16 points. Bay collected seven of his points in the first period to get the Charger offensive machine rolling.

Also in double figures for the champs was Dave Clare who counted 14 points for the evening.

Former Wayne star receives EMU award

Eastern Michigan trackman Dave Smith was one of eight athletes honored at halftime of the EMU-Ohio University basketball game Wednesday (Feb. 25) evening in Bowen Field House.

Smith joined teammate Nick Ellis as the only two Hurons to gain mention to the Mid-American Conference Cross Country team. EMU President James H. Brickley presented the certificates at halftime.

Smith, a senior from Wayne

Memorial, won the MAC individual championship with a time of 29:50.4 over the EMU course. Ellis was third for Eastern in that race.

A senior majoring in broadcasting, Smith was the MAC outdoor track titlist in both the 3 and 6-mile runs. For his effort at that outdoor meet in 1975, Smith shared Most Valuable Performer honors.

He placed fourth in the 3-mile run at last weekend's Central Collegiate Conference championships in Bowen Field House.

AUTO FACTS
by Jr. Kolin

There are dozens of options and accessories available with every type of new car, and it is possible to add so many options to a new car that the price is almost doubled. It is up to the buyer to decide firmly in advance which options he really wants. Some options, of course, such as an automatic transmission or a heavy duty suspension, must be built into the car when it is made. And some options add considerably to the resale value of the car. Among these are automatic transmission, power steering, power brakes, and a radio.

You can pick up many accessories and "options" for your new foreign or domestic car at KOSIN'S AUTO PARTS, 26831 Michigan, Inkster. We are known as the "House of a Million Parts" and have just about everything you need to keep your car running and looking at its best! If you have a Datsun, Toyota, Fiat, Opel, Volkswagen, or any other foreign car, you need KOSIN'S! We carry everything from mufflers to fan belts and offer fast, friendly and expert counter service. Skilled mechanics handle repair work in our complete machine shop. Call us at 563-3894, or stop in any day from 8 A.M. until 8 P.M. (Saturdays until 5 P.M.).

Sights on target

Despite Bill Stucky's (54) attempt to block, Belleville's sharpshooting Dennis Easley (23) gets this jumper in last Tuesday's rematch against their Suburban 8 Conference rivals. Belleville won an easy victory and is riding a 7-game winning streak into

a district championship. The district tournament began last night at Ypsilanti and if Coach Tom-Niemi's Tigers won, they will get a shot at undefeated Monroe tomorrow. The championship will be decided Saturday night.

Motion by Demski, supported by Banotai, to adopt resolution from City of Novi opposing the Share-the-Wealth tax plan. Motion carried unanimously.

Supervisor Parraghi urged all Sumpter residents to be sure and mark Sumpter Township as their place of residence on their income tax forms.

The Township is losing a large amount in Revenue Sharing funds due to people marking their address as Belleville, our share of the Revenue Sharing then goes to the City of Belleville. Supervisor Parraghi also read a letter from Commissioner Royce Smith stating that he is trying to have Bemis Road, west of Sumpter, declared a primary road in order to get the County to Black top the road. Also read a letter from Mr. Lutz regarding the Township's eligibility for funding for the proposed water line. There will be no funding until after the next fiscal year which is July 1. Supervisor Parraghi also read a letter from Mr. Robert Beattie regarding his resignation as township's representative to CUFA. Letter accepted with regret and filed. Letters were also read from Mr. Don Juchartz, regarding the need for Heath Care Facilities, and Mr. Donald Wrench regarding Home Remodeling for the elderly. Minutes of the Bi-Centennial Committee were read.

Motion by Demski, supported by Reeves, to accept minutes of the Bi-Centennial Meeting of February 5, 1976 as read. Motion carried unanimously.

Supervisor Parraghi stated that he would appreciate it if the township residents would discontinue the signing of petitions for sand removal on Sherwood Road as they are apt to jeopardize the case we now have in court.

Motion by Reeves, supported by Demski, to accept Supervisor's Report. Motion carried unanimously.

Engineer's Report: Andres reports that Sumpter Township has received Step I Sewer Grant. Will be making up a map of the culverts that are to be replaced in the Township, to be put on display in the Township Hall.

YWCA opens membership campaign

The YWCA of Western Wayne County has opened its annual Membership Campaign Drive under the theme of "Unity-Respect for Differences."

According to a YWCA spokesman, the organization keeps the wheel of unity rolling through memberships and community support, which helps provide a variety of programs for families including classes, cultural activities, preschool nursery and creative arts for children, neighborhood development, work with low-income families, group work with potential school drop-outs, information and educational programs and parent effectiveness programs.

The spokesman added that the YWCA is a decentralized, interracial, intercultural agency which supports women and girls and their families so they can realize their full potential.

The services included community organization, crisis intervention, group work, personal adjustment, physical well being and recreation.

The classes at the "Y" range from guitar to yoga to golf with such programs as tennis, swimming, tumbling, bowling, ice skating,

painting, tots' art, ceramics and sculpture, needle crafts, dancing, indoor gardening, backgammon, knitting, self defense, first aid, sewing, organic cooking and bridge in between.

The YWCA operates with combined funds raised through the United Fund,

memberships and course fees and local contributions of organizations and individuals.

The membership drive will continue

through March 31. For further information on the campaign and the organization contact the YWCA at 26279 Michigan Avenue, Inkster 48141.

THE POLLS WILL BE OPEN at said Special Election in each of said places from 7:00 o'clock a.m. until 8:00 o'clock p.m.

NOTICE IS HEREBY GIVEN that at such Special Election there will be submitted to the qualified electors of the District the following propositions:

PROPOSITION 1 - MILLAGE INCREASE PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all taxable property in the Van Buren Public Schools District, Counties of Wayne and Washtenaw, Michigan, be increased by six (6) mills (\$6.00 on each \$1,000.00) of the state equalized valuation of all property in the School District for a period of five (5) years, namely, 1976 to 1980, both inclusive, the funds to be used for the purposes of general school operation?

PROPOSITION 2 - MILLAGE INCREASE PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all taxable property in the Van Buren Public Schools District, Counties of Wayne and Washtenaw, Michigan, be increased by one-half (1/2) mill (\$.50 on each \$1,000.00) of the state equalized valuation of all property in the School District for a period of five (5) years, namely, 1976 to 1980, both inclusive, the funds to be used for the purpose of paying the cost of maintaining, repairing, renovating, furnishing, and equipping existing buildings; and developing and improving sites in said School District?

ALL PERSONS having the following qualifications shall be entitled to vote at said election, providing they have registered:

- a. A Citizen of the United States.
- b. Over 18 years of age, and
- c. A resident of the State of Michigan for at least 30 days and of the School District 30 days prior to the date of election.

ALLELECTORS MUST BE REGISTERED WITH THEIR RESPECTIVE CITY OR TOWNSHIP CLERKS OR AT A SECRETARY OF STATE DRIVERS LICENSE BUREAU TO VOTE AT SUCH ELECTION

STATEMENT AS REQUIRED BY ACT 278 OF PUBLIC ACTS OF 1964 amending the Property Tax Limitation Act.

I, LOUIS H. TRUCK SALE

So come in, we're**

Wheeling & Dealing!

Four 1976 Rigs To Choose From

Half-ton

Toyota's longest little pickup continues a powerful 2.2 liter engine with a smooth 8 speed synchromesh transmission for power and pep. Power front disc brakes for quick, smooth stop. Supersteered front suspension. Hydraulic shocks. This truck is built to work hard — and to play hard when the week's all done.

Long Bed

The Long bed Pickup comes with the same hard working gas saving 2.2 liter engine as the standard pickup. The same 8 speed transmission. The same power front disc brake. But Toyota added over 15 inches to the bed length so you can haul more cargo. How much more now? To the absolute limit extra loading capacity. Hauler go, take load!

SR-5 Sport Truck

The Toyota Sport pickup has more than a funfair 4 speed overdrive transmission to help you zip and reduce engine wear. More color options. Shuffled steel wheels. Wide capital fenders. Inside the moving cab there's right hand steering. A blue vinyl floor and tinted glass — even an ABS wheel on one side too!

SR-5 Long Bed Sport Truck

Another powerful truck model! It combines the features of the Long pickup with the features of the Standard SR-5 Sport Truck. Now you can have the comfort and quietness of Toyota's low and long plus the versatility of a long bed.
